There's a lot to love about U-Cubes™:

NON-GMO • NO BEEF OR PORK GELATIN • NO ARTIFICIAL COLORS  
NO ARTIFICIAL FLAVORS • NO GLUTEN, WHEAT, OR DAIRY...

**And best of all, they're from Solgar.** We've been crafting nutritional supplements for generations – over 65 years. And, just like all our supplements, U-Cubes™ benefit from all the science and knowledge behind our name.

Each serving of these tapioca and pectin based gummies provides the recommended 100% Daily Value (400 IU) of Vitamin D3 for children over the age of 4 and 50% Daily Value (200 IU) for children 2 and 3 years of age. What's more, U-Cubes™ are made in small batches that ensure the highest quality. They're also rigorously tested for safety and potency... but never animal tested. The result? A great-tasting multivitamin that U can be sure is great for your children.
